My Life Direction Pathway

My Life Purpose (Why I Exist)	I thrive when creating a haven that blesses others by esteeming their experience and encouraging rest. HAVEN CREATOR
My Life Vision (Where I'm Headed)	I contribute towards maximizing others by creating authentic spaces where people can experience truth that leads to sustainability and wholeness. CREATIVE MAXIMIZER
My Life Strategies (How I'll get there)	<ul style="list-style-type: none"> I need to make sure that I stay healthy: margin, replenishment cycle, etc. I can practice creating a haven for my family now. Clayton & I need to continue to strengthen our marriage. We need to strategically glean experiences & learning to help apply towards creating havens. We need to be faithful in being involved in a church here. Use it as a lab. I need to have a broad community to learn from and practice on.
